FINISHES

At Heritage Brass we are proud to offer an ever growing variety of high quality finishes on solid brass. Match all fittings with a finish available across door & cabinet hardware and electrical accessories or choose a specialist finish available in electrical accessories only.

FINISHES AVAILABLE IN HARDWARE AND ELECTRICAL

01/PB Polished Brass
Warm, traditional and opulent.

02/PC Polished Chrome
A bold and contemporary finish with a mirror effect.

03/SC Satin Chrome
The brush marks create a modern matt finish which is less prone to finger marks than polished finishes.

44/SB Satin Brass
A modern alternative to traditional Polished Brass, this brushed texture beautifully mellows the colour of solid brass.

05/SN Satin Nickel
The honeyed grey tone created by brushed nickel plating on brass provides a warmer alternative to Satin Chrome.

08/PN Polished Nickel
This reflective finish with a subtle golden hue creates a warmer alternative to Polished Chrome.

91/AT Antique Brass
A variation on brass which retains warmth but adds maturity by highlighting a spectrum of shades.

09/MB Matt Bronze
A rich finish with a hint of chocolate colouring proves popular in both traditional and contemporary interiors.

BK Matt Black
A sleek and contemporary powder coated finish.

75/SR Satin Rose Gold
A luxurious rose tint created by applying matt copper plating over solid brass.

FINISHES AVAILABLE IN ELECTRICAL ONLY

AP Aged Pewter
This matt grey finish with brush texture provides a tonal midway point between Satin Nickel and Satin Black Nickel.

06 Polished Black Nickel
A highly reflective finish created by adding black dye to polished nickel plating.

66 Satin Black Nickel
A semi gloss finish with brush texture creating a softer alternative to Polished Black Nickel.

RB Rustic Brass
This striking hand created mottled finish highlights a range of brass shades creating an aged rustic appearance.

RN Rustic Nickel
This striking hand created mottled finish highlights a range of nickel shades creating an aged rustic appearance.

RC Rustic Copper
This unique hand created mottled finish highlights a range of copper shades creating an aged rustic appearance.

GL Gloss White
A luxuriously silky finish created by applying high quality paint to solid brass plates and sealing with a gloss lacquer.

WH Matt White
A fresh and minimal powder coated finish.

PW Paintable Primed White
Finished with high quality white primer; these plates can be painted to meet specific colour requirements.

SLEEK SATIN NICKEL

Versatile and timeless, Satin Nickel finish was used throughout this family home to achieve a sleek and sophisticated feel. With its honeyed grey tone, the finish closely matches the warming shades found within the marble surfaces and sits harmoniously with the white cabinetry whilst providing a contrasting accent against the navy blue cabinetry.

SATIN ROSE GOLD

Traditionally used in jewellery, blending gold with copper creates a rosy red tint. We created a similar appearance by applying Matt Copper plating over brass, resulting in a Rose Gold finish that adds a touch of warmth and luxury to the space. As seen here, this plush finish has been used across the marbled kitchen, working seamlessly with the copper brassware and industrial style pendants.

THE BEAUTY OF BRASS

Whether opting for Polished, Satin, Antique or Rustic Brass, all variations of this versatile material retain a warm and inviting character. Antique Brass provides a golden hue and brings refined traditional elegance into the modern interior. Visually striking, Rustic Brass, offers a distressed look helping to create an organic aged style. Satin Brass pairs exquisitely with a vast array of colours creating a bold and opulent statement.
