## About the Finish

**Matt Bronze**
An aged finish on brass creating a vintage appearance, yet one that also looks outstanding in contemporary schemes. Over a period of time the bronze colour will lighten along any edges and surfaces that are frequently touched and create a naturally aged appearance highlighting frequently touched areas and exposing the brass below.

- The EPR range is fitted from the back or front of the cabinet. Please allow for a 3.5mm gap between drawers or cut a 3mm recess for flush fitting.
