### **About the Finish**

#### Satin Nickel

With its honeyed grey tone created by brushed nickel plating on brass, this finish closely matches Stainless Steel but offers a warm and subtle alternative which is popular in traditional and modern décors.

## **Useful Information**

• If replacing an existing Cabinet Pull it may be simpler to install if you select a pull which matches the existing centre to centre of the screw holes

#### **Box Contains**

- 1 x Cabinet Pull
- All fixing screws and fasteners
